

## **ACS(I) Blood Drive 2024**

On 4 July, the spirit of unity and generosity shone brightly as ACS (Independent) held its annual blood drive. Staff, alumni and students came together once again to make a significant impact on the lives of others through the selfless act of blood donation.

The blood drive was an overwhelming success, with an impressive turnout that yielded 94 blood bags. This remarkable achievement is a testament to the compassion and empathy of the AC community. Donors patiently waited their turn, inspired by the heartwarming displays at the Year 6 Gratitude Day booths. The event's smooth execution was due to the tireless efforts of the organising committee and the invaluable support of the Singapore Red Cross.

We extend our heartfelt gratitude to every donor who participated in this life-saving endeavour. Their selfless act of giving has made a profound difference in the lives of countless individuals.

We extend our heartfelt gratitude to every donor who participated in this life-saving endeavour. Their selfless act of giving has made a profound difference in the lives of countless individuals.

*“Organising this year's blood drive has been an incredibly rewarding experience, especially seeing how AC can unite to save lives! I'm proud of what my committee has achieved together, and we hope that this event will be a permanent fixture in the AC calendar.”*
