Year 3 IP Subject Options (2024)

1. Students can choose a maximum of 3 options and are strongly advised to make full use of all the options. The choices should be listed in the order of preference.
2. Students who are officially exempted from offering Mother Tongue will not be required to offer MT/HMT.
3. Class size is up to a maximum of 35 students. If there are more than 35 students who opt for a particular subject combination, allocation will then be based on academic merit.
4. In order to select Option E, students must have a minimum overall score of 225 marks for Enriched Mathematics, Physical Sciences and Life Sciences.
5. Students can offer Higher Music (only for MEP students) or Visual Arts in place of any non-compulsory subjects (*). Classes are held after curriculum hours in the afternoon.

Year 3 IP Subject Options (2024)

6. All MEP students must continue to offer Higher Music as a subject. Students who wish to continue with 3rd Language will not need to write in. Students who wish to offer Visual Arts as a 9th subject will be required to write to the school.
7. Option A (SBGE) and E (SBGE) are available for offer to SBGE students ONLY.
8. Students who are sitting for the ACS (Accelerated Class for Science) selection test will have to offer Option E.
9. Students who are sitting for the ACH (Accelerated Class for Humanities) selection test will have to offer EITHER Option A OR Option B.
10. Computer Studies cannot be used to replace a science subject when computing for IP aggregate points.

The image features the text "The End" in a bold, white, sans-serif font. The text is centered and appears to be floating above a vibrant, horizontal splash of paint. The paint splashes are in various colors, including red, yellow, blue, and green, with some splatters extending upwards and downwards. The overall effect is dynamic and celebratory.
