	10. For more details, you may download the user guide under the <i>Links menu</i> .

Instructions to install LMS App (ASKnLearn) into your iOS/Android devices

1. To install the LMS App (ASKnLearn) on your smartphones or any iOS/Android devices, do a keyword search and install (free) "ASKnLearn" App from your iOS APP store or Android Play Store into your device.

2. When you open the ASKnLearn App, click OK to get alert sound for incoming task to your LMS account.

3. In the Organization text box, key-in few letters of our school name (e.g. anglo) and choose our school name [Anglo-Chinese School (Independent)] from the drop down list.
